Dear Mr Perrett,

Thank you so much for raising £250.00 for Willen Hospice.

Once again, we're absolutely delighted that you chose to support our Hospice to benefit from your donation.

As you read this letter, people are being cared for in our Hospice. They're being supported with their end of life care in a compassionate, comfortable, specialist environment that helps give them dignity, peace and comfort. As I write this letter, our patients' families are also being supported. Whether it's helping them cope with their bereavement, giving respite to carers or helping with advice on the future. This is happening because people like you cared.

What we do at Willen Hospice is thanks to the generosity of the local community and amazing people like the Brethren of the Provincial Grand Lodge of Mark Master Masons of Buckinghamshire

Again, thank you for your dedication and generosity..

Yours sincerely,

Nikki Poole
